Konark Publication, New Delhi, 2013. Soft cover. Book Condition: New. 338pp. It all started with a by-election in Orissa in 1972. Nandini Satpathy was elected to the state assembly after spending lakhs of rupees. Gandhian Jayaprakash Narayan raised the matter of corruption with the Prime Minister. Her defence was that the Congress had no money even to run the party office. When he found no response, he took the issue to the nation. One thing led to another until JP gave the call that the battle was between the people who wanted the government accountable and the government which was not willing to come clean. Acclaimed author Kuldip Nayar, says the true story behind Emergency, why it was declared and what it meant is relevant now since the driving force was corruption and corruption is the watch word again. With a new preface, the author reacquaints the current reader with the facts, lies and truths in an easy-to-understand, analytical style. He reveals the untold atrocities committed and the chief perpetrators and their modus operandi. A revelatory must-read on the 18 dark months of Democratic Indias history.
