Alexander Powell Illustrated Nothing is more unwise, on general principles, than to attempt to write about a war before that war is finished and before history has given it the justice of perspective. The campaign which began with the flight of the Belgian Government from Brussels and which culminated in the fall of Antwerp formed, however, a separate and distinct phase of the Greatest of Wars, and I feel that I should write of that campaign while its events are still sharp and clear in my memory and before the impressions it produced have begun to fade. I hope that those in search of a detailed or technical account of the campaign in Flanders will not read this book, because they are certain to be disappointed. It contains nothing about strategy or tactics and few military lessons can be drawn from it. It is merely the story, in simple words, of what I, a professional onlooker, who was accorded rather exceptional facilities for observation, saw in Belgium during that nation's hour of trial. An American, I went to Belgium at the beginning of the war with an open mind. I had few, if any, prejudices. I knew the English, the French, the Belgians, the Germans equally well. I had friends in all four countries and many happy recollections of days I had spent in each. When I left Antwerp after the German occupation I was as pro-Belgian as though I had been born under the red-black-and-yellow banner. I had seen a country, one of the loveliest and most peaceable in Europe, invaded by a ruthless and brutal soldiery; I had...
