

A Booty of Words: A Dictionary Devoted to the Linguistic Treasure Contributed to the English Language by the Pirate William Dampier (Paperback)

Filesize: 2.66 MB

Reviews

The book is fantastic and great. It generally does not expense excessive. Its been designed in an exceptionally easy way and it is simply right after i finished reading through this book by which really changed me, change the way i think.

(Adolfo Lindgren)

A BOOTY OF WORDS: A DICTIONARY DEVOTED TO THE LINGUISTIC TREASURE CONTRIBUTED TO THE ENGLISH LANGUAGE BY THE PIRATE WILLIAM DAMPIER (PAPERBACK)

DOWNLOAD

Forward-Thinking Press, United States, 2010. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.IN THE LATE seventeenth century, William Dampier and his fellow pirates sacked, burned, robbed and ransomed Spanish towns up and down the coasts of Central and South America. Dampier was never any good at this. As pirate or privateer captain, he never captured any treasure of note. However, he did bring home a treasury of useful knowledge in natural history, economics and political economy, hydrography, anthropology, zoology, ethnography, botany, geography, navigation, literature, and language. Of all this, Dampier s booty of words is the most significant. Today, we commonly use words introduced to the English language by the pirate Dampier. Words like banana, barbeque, castaway, sea-breeze, and subspecies. He was among the first handful of writers to use words like intelligence (information useful for achieving strategic goals), free trade (trade between sovereign peoples without interference or coercion from government), and maroon (to be lost somewhere). In all, he helped introduce around a thousand new English words and helped popularize many more. This book examines in-depth over one-hundred of Dampier s most important and interesting words. This dictionary is more than just a collection of words. It is a skeleton key to our shared past, both linguistically and as a matter of historical fact-facts lived out by Dampier and his contemporaries. A BOOTY OF WORDS is required reading for anyone interested in understanding Dampier s true and lasting legacy.
