Book Condition: New. Ships From Canada. Trade paperback (US). Glued binding. 288 p. Contains: Illustrations. For Dummies (Lifestyles Paperback). Audience: General/trade. Book Description: With their apple heads, big round eyes, large pointy ears, saucy expressions, and feisty dispositions, Chihuahuas are one of the most beloved breeds of toy dogs in the world. But these frisky little dogs aren't for everyone. Consummate lap dogs, they thrive on attention and constant contact with their owners, and are miserable when left alone. As pups they're extremely fragile, although they do outlive bigger breeds by many years. Housebreaking can be a problem with Chihuahuas, but on the other hand, they're very smart, love performing tricks and they never forget what they learn. Some have a tendency to shyness, but a well-socialized Chihuahua can be every bit as bold as a pit bull. Is this plucky little pooch the right dog for you and your family? Chihuahuas For Dummies provides the answer to this and all your question.
