The like benevolent motives which actuated our brethren in that kingdom, thus publicly to advocate the cause of the most oppressed part of the human species, induced our yearly-meeting held in Philadelphia last year, to address the Congress of these American States, on the same very interesting and important subject, which being courteously received, we are encouraged to republish the above mentioned petition and representation, in hope the minds of those who are invested with power here, may become so effectually moved by a sense of the enormity of the evil complained of, as to exert their authority to remove it, that the cry of this oppression may not be continued in our land. Signed in and by order of the meeting for sufferings, in Philadelphia, 16th of the 9th month, 1784. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
