JANE AUSTEN'S MANUSCRIPT WORKS

Broadview Press Ltd. Paperback. Book Condition: new. BRAND NEW, Jane Austen's Manuscript Works, Linda Bree, Peter Sabor, Janet Todd, When Jane Austen died, at the age of 41, she left behind her not only six novels but a large number of manuscripts, ranging from juvenile works to the novel that she was writing at the time of her final illness. The six published novels are now undisputed classics. The manuscripts, however, despite the extraordinary writing they contain and the way in which they illuminate Jane Austen's work as a novelist, are much less well known. From the brilliance of the juvenilia to the urbane modernity of Sanditon these works show Austen pushing the conventional boundaries of fiction, exploring the implications of vulgarity and violence, experimenting with different styles and tones, and practicing and refining her arts of narrative. This Broadview Edition includes Lady Susan , The Watsons , Sanditon , and ten important early manuscript works. Historical appendices include Austen's letters on fiction; continuations written by Austen's niece and nephew of two of her early works; and Sir Walter Scott's important critical appraisal of Austen from 1816.
