Brand New Book ***** Print on Demand *****.A Modest Proposal For preventing the children of poor people in Ireland, from being a burden on their parents or country, and for making them beneficial to the publick. By Dr. Jonathan Swift 1729 A Modest Proposal for Preventing the Children of Poor People From Being a Burthen to Their Parents or Country, and for Making Them Beneficial to the Publick, commonly referred to as A Modest Proposal, is a Juvenalian satirical essay written and published anonymously by Jonathan Swift in 1729. Swift suggests that the impoverished Irish might ease their economic troubles by selling their children as food for rich gentlemen and ladies. This satirical hyperbole mocks heartless attitudes towards the poor, as well as Irish policy in general. In English writing, the phrase a modest proposal is now conventionally an allusion to this style of straight-faced satire. Swift goes to great lengths to support his argument, including a list of possible preparation styles for the children, and calculations showing the financial benefits of his suggestion. He uses methods of argument throughout his essay which lampoon the then-influential William Petty and the social engineering popular among followers of Francis Bacon. These lampoons include appealing to the authority of a very knowing American of my acquaintance in London and the famous Psalmanazar, a native of the island Formosa (who had already confessed to not being from Formosa in 1706). This essay is widely held to be one of the greatest examples of sustained irony in the history of the English language. Much of its shock value derives from the fact that the first portion of the essay describes the plight of starving beggars in Ireland, so that the...
