Excerpt: .exotic cotton in the Protectorate, but gave evidence as to the best time of planting, namely, about June. Samples of cotton grown on the experimental plantation at Onitsha have recently been received in Manchester, are said to be equal to fully good middling American, and exactly of the quality ordinarily required by the manufacturer. A power gin has been set up at Onitsha. The British Cotton Growing Association has now determined to commence cotton cultivation in certain selected districts of Southern Nigeria. The Colonial Office has arranged with the Board of Trade to send a member of the Scientific Staff of the Imperial Institute to co-operate with a local Forestry Officer in selecting these areas. The Sobo Plains, near the coast, and the Uromi district, near the Niger, will be specially considered. It is stated that labour can be arranged for and that transport...
