Or is it implantation? Is the embryo trying to attach itself right at this very moment? Is that even something you can feel? In For All Maternity, Emily Pardy encourages readers to ask the hard questions while humorously sharing her own tumultuous journey into motherhood. From sitting awkwardly in marriage counseling to learning how to breast-pump in the middle of the workday, this bumpy road to motherhood encounters lessons about body image, boundaries, and belief in a God who is more trustworthy than any baby manual around.
