

Lucidity: The Awakening (Paperback)

By L C Faulkner

iUniverse, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Lucidity-The state of being lucid, seeing clearly. Awaken to a new way of thinking as you explore the Isle of Aphtharsia and learn the secrets it has guarded since ancient times. The logic that emerges supreme is not the logic of the primal mind but a spiritual logic that resonates in a place beyond human reason. Faulkner transports you to a place where life is as it could be; stress-free, abundant, full of love, joy and beauty. Can a world such as this really exist, or is it just an illusion? This novel invites you to see reality more clearly, to question what you see, and ultimately to re-create your own reality. Join others who are seeing, not just with the two receptors we call eyes, but with the third eye, the spiritual eye, and become part of the spiritual awakening of collective consciousness. This novel further invites you to research recent scientific studies in the areas of quantum physics, the field of science that offers the best hope for humanity since organized religion.
