The Mental Health of the Community and the Work of the Psychiatric Dispensary (Classic Reprint) (Paperback)

By C Macfie Campbell

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Mental Health of the Community and the Work of the Psychiatric Dispensary Unlike internal medicine, psychiatry cannot limit itself to the failure of single organs or groups of organs to deal with their problems; it has to deal with the maladjustments of the personality as a whole. Psychiatry may therefore be considered as personal medicine, as opposed to impersonal medicine; while in other departments the personality may be ignored, although not always with impunity, in the mental clinic the personality is the organic unit with which we work. It is true that disorders of the individual organs and of groups of organs may cause modifications of the personality. The personality is not something outside of and apart from the constituent organs of the body; it is the total activity of these organs more adequately conceived. The study of the personality and its disorders involves the study of all the bodily organs, but in a more complete setting than is necessary in internal medicine. In the mental clinic, therefore, we deal with patients whose symptoms...
