A THIRD READER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Third Reader Through oral presentation, children of the primary grades become acquainted with fairy tales and stories of heroism and. adventure. These same stories, when they appear in print later, arouse interest from the fact that they are old friends in new situations. The ethical content of the selections, also, is presented a second time to intensify impression. Teachers know from sad experience that much of the literature appropriate to these earlier grades is beyond the reading capacity of third-year children because of its difficult vocabulary and phraseology. Laboring to master the technicalities, the children become first discouraged and then indifferent; and thus the love of reading, which it is our aim to inculcate, receives a decided check. In the desire to reduce difficulties to a minimum, the authors have taken the liberty of simplifying difficult words, and difficult or unusual expressions in a number of the selections used, endeavoring at the same time to preserve their characteristic features. From the fact that some of the subject matter is familiar, it is hoped that much valuable work in language and construction may be done in connection with the reading. The review of favorite lessons ought also to furnish opportunity for dramatic presentation, the discussion of which affords valuable language material, and at the same time may be made to encourage individual effort. Dramatic situations should come from the pupil s interpretation of the story, rather than from the teacher s suggestions.
