AIRPORT MARKETING

Taylor & Francis Ltd. Mai 2013, 2013. Taschenbuch. Book Condition: Neu. 246x187x15 mm. Neuware - In recent years, the airport sector has moved from an industry characterised by public sector ownership and national requirements, into a new era of airport management which is beginning to be dominated by the private sector and international players. Airports are now complex enterprises that require a wide range of business competencies and skills to meet the needs of their users, just as with any...
