Pen Sword Books Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. Stories of death and villainy will always hold us in their grim but thrilling grip. In Foul Deeds and Suspicious Deaths in Barnet the chill is brought close to home as each chapter investigates the dark side of humanity in cases of murder, deceit and pure malice committed over the centuries in this area of north London. For this journey into the sinister side of the past, Nick Papadimitriou has chosen over 20 notorious cases that give a fascinating insight into criminal acts and the criminal mind. Among the crimes he recalls are Elizabethan murders, highway robbery on Finchley Common, the violence of the Black-Hand Gang in Victorian times, the famous East Finchley Baby Murder of 1903, the Hendon Wine Shop Murder of 1919, the Edgware girl who was thrown under a tube train in 1939, and the shocking execution of murderer Daniel Raven in 1949. The human dramas Nick Papadimitriou describes are often played out in the most commonplace of circumstances, but others are so odd as to be stranger than fiction. His grisly chronicle of the hidden history of Barnet will be compelling reading for anyone who is interested in the dark side of human nature.
