THE BEST I CAN BE: LIVING WITH FETAL ALCOHOL SYNDROME-EFFECTS (REVISED) (MOM'S CHOICE AWARDS RECIPIENT)

Better Endings New Beginnings, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This book was the missing piece of information for our adopted daughter who's birthmom is an alcoholic. As a nurse and a doctor we were unable to find what was wrong with our daughter- no other professionals we took her to knew what was wrong. Every thing written in this book could have been written about our daughter and if we had gotten this information sooner we would have had a different point of view for her behavior and learning problems. We were not taught about FAS/FAE in nursing/medical school. This information needs to be learned at that level in order to assist with an early diagnosis and life planning for the child to avoid what we went through- 15 different schools in 10 years.
