This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject Business economics - Investment and Finance, grade: 2,3, Cologne University of Applied Sciences, course: International Management and Business Consulting, language: English, abstract: According to BIS (Department for Business innovation and skills), Value Added measures the amount of wealth created by a company and is of particular importance since it reflects the ability of companies to provide their customers with what they want and are prepared to pay for. As such, it provides a broader perspective on a company s economic contribution than operating profit. Mathematically, Value Added = Company Sales Bought-in goods.Value added is regarded as one of the most important objective of a Firm or a company because it measures the amount of the wealth created by a company, from where we can analyze how a particular company is contributing to the economy of a certain country. Every year the Value Added Scoreboard measures the overall growth of a company and examines the efficiencies. The analysis will be in many different sectors, sometimes differentiated by...
